## 2010 AGM in Halifax: June 17-19th

**W**e know what you're thinking: Halifax isn't exactly a "getaway" in your books. You're right: It's the backyard for many members. Whether you consider it like stepping out on your deck, or an over-nighter, make the 2010 Getaway Weekend in Halifax your "destination" weekend.

New AGM traditions were forged in Antigonish last year, including more CE, and different social activities. This trend continues in 2010. We've had members tell us what worked and what didn't. And we're delivering something in line with expectations.

More CE  
Saturday is "CE Day" during the Getaway Weekend. From 9:30 am to 5:00 pm, the day is jam-packed with CE sessions to suit many interests (see page 3 for details). The

highlight of the day is the Keynote Luncheon Address by Dr. Burton Conrod.

More member input  
Friday focuses on hearing from NSDA members, with a half day (4.5 hours) devoted to a re-vamped Member Interactive Session. The morning will be professionally facilitated and the coffee pot will be out! A free buffet lunch for members is included. This is followed directly by the Association's formal business meeting in the afternoon.

More fun  
Again, based on member input, we're switching up the social activities. A relaxed approach to the President's Gala on Friday night and a luxurious Saturday night event are in store (more details inside). And yes; there's golf!

### We're at the Westin

We're taking a casual twist on the traditional Gala. The evening begins with a cocktail reception where the NSDA Honours & Awards will be presented, including the new "Friend of Dentistry" Award.

We have some surprises up our sleeves, so expect interactive entertainment throughout the night. No dance this year, but wear something you can move in! The event is open to members and their guest. Dress is smart casual (think the golf club).
